

Menuet à 2 Cornes de Chasses
from Der Getreue Musikmeister
by Georg Philipp Telemann

Telemann's little Menuet is squeezed into the middle of page 32 of his *Der Getreue Musikmeister*. The title indicates that the piece is for two Cornes de Chasses, the valveless horns of Telemann's time. But Telemann was anything but dogmatic about instrumentation, so in addition to the original version for horns, I've provided a version for two treble recorders and one for two clarinets.
